Bargaining Update: March 16, 2015

On March 4th, your bargaining team met with representatives for the AUSD to begin negotiations for the 2014/2015 contract. As a reminder, each side was allowed to open salary, health benefits, and two other articles.

As you requested in our bargaining survey from October, AEA proposed:

- An improvement to salary
- An increase in the district's contribution to health benefits
- An improvement in the disability insurance plan
- An improvement to prep time
- A decrease in class sizes

The AUSD, because of the county-wide lack of subs, proposed:

- The elimination of bank days

Our next negotiation session is scheduled for March 24th

The next school board meeting is scheduled for March 25th
